The City has received a petition from the residents of 7th Ave SW, between 5th St. and 6th St., requesting the City to establish residential permit parking on the west side of their street.

This petition is from the Edison Neighborhood where permit parking has already been established on eighteen blocks. The petition has been reviewed and meets the requirements of R.C.O. #138. The petition is to add the west side of this street to an existing zone. The east side of the street is currently restricted to "No Parking At Any Time". This is to remain. The petition has been signed by the following percentage of abutting property owners or residents:

Block	Street/ROW width	# of Signers	# of Owners	%
7 th Ave SW / 500 block (west side)	28/75	6	10	60 %

The residents who were not represented on the petition were phoned and none who were contacted oppose the request.

Staff recommends in favor of the petition and requests a public hearing to be scheduled for February 19, 2003.
